O R D E R:

In view of the existing financial stringency and of the need to set up austerity standards, the Government direct that the provision of electrical installation to Inspection bungalows be deferred till the financial position of the State improves, i.e., till March 1955 for the present.

2. In the case of electrification of other Government buildings (residential or non-residential) the proposals should be scrutinised

carefully by the Heads of Departments concerned and only very urgent and essential schemes should be submitted to the Government for sanction.

(By order of the Governor)

T.V.Natesa Mudaliar,
Additional Deputy Secretary to Government.

To The Chief Engineer, Public Works Department (General and Buildings).
To All other Heads of Departments.
To The Department of Secretariat (all sections)
Copy to the Electrical Engineer (General).
